METHODS of MOVEMENT POLICIES:

Tuition is a flat monthly fee and is due at the first class of each month. If other payment arrangements are necessary, they must be made in advance. Late fees will be charged and students may be denied class if tuition has not been paid. Non refundable registration fees are charged upon enrollment. Students that drop out of class during the year will be charged a non refundable \$26.50. registration fee to re-enroll in class. Students taking vacation or extended leaves of absence are expected to pay their monthly fees to hold their spot in class. **There are no credits or refunds for classes missed.**

Methods of Movement observes the school district's major holidays (Thanksgiving, Christmas, Easter, Spring Break, & Memorial Day). **We do not close for every "no school day" the students may have.**

When you miss class due to holiday closures, you have not been shorted class time. Tuition is based on 4 weeks per month. The months that have 5 weeks make up for the few holiday closures.

Students are required to wear the appropriate attire required for their specific class.

PLEASE SEE THE CLASS REQUIREMENT LIST. Ask your instructor to clarify any questions you may have.

All dance & tumbling classes run from Sept. through the month of June. All students participate in a spring recital or a parent's program. All lesson fees must be paid in full before any student will be allowed to participate in programs, recitals, or competitions.
